

Hello GOAPIC Members!

It is time to order GOAPIC Wearables. We need to update the logo on our shirts so we are going for a new color as well. I have attached some pictures of the new logo and the polo shirts and fleece jackets that we can order.

We can choose from the mens sizes (run a little larger) and womens sizes (run pretty true to size).

Prices for polos range from \$25 to \$30 depending on sizes (includes tax) (Same brand polo as blue polos)

Prices for fleece jackets range from \$40 to \$48 depending on sizes (includes tax)

Please email me back with your order and **include either mens or womens** after your size. I will collect money at the time you pick up the shirts/jackets. We can mail the order to you so please let me know if you will not be able to pick the order up at the May or June meeting.

Please call me if you have any questions.
