Professional Growth Day

The Greater Omaha APIC Chapter invites you to attend our Professional Growth Day, August 6, 2010 at the Lee Sapp Riverview Lodge in Mahoney State Park. This all day event is geared towards sharing important information from the National APIC Conference. Attendees will have the opportunity to learn, share and network with other Infection Preventionists from the area. **Goal:** To enhance the ICP's knowledge on current infection prevention practices information from APIC's National Conference, New Orleans, LA July 10-15th. CEU's provided.

Objectives

- Discuss recommended practices for managing multi-drug resistant organisms
- Learn about the role sterile processing has in the prevention of SSI
- Discuss strategies for the ICP as change agent.
- Discuss how to integrate infection prevention and performance improvement in your practice.
- Discuss new strategies for managing compliance with Regulatory & Accreditation agencies
