

# MRSA: Prisoners, Politicians and Purveyors of Potions

**Monday, July 12, 2010**

12:15 P.M. until 1:15 P.M. Central Time  
Live Interactive Video Conference  
-and-

**Tuesday, July 13, 2010**

1:15 P.M. until 2:15 P.M. Central Time  
Rebroadcast of Previous Days Recorded Program

presented by

**Mark E. Rupp, MD**

Professor

Internal Medicine, Infectious Diseases  
University of Nebraska Medical Center

This educational activity is designed for physicians and nurses involved in the treatment of patients with MRSA infections.

## LEARNING OBJECTIVES

At the conclusion of this educational activity, the participant should be able to:

- Recognize the changing epidemiology of MRSA and identify special populations of patients that are at higher risk of infection.
- Explain legislative and regulatory issues impacting MRSA prevention programs and public health.
- Make better informed therapeutic decisions in treating patients with MRSA infections.
